

To all foreigners living in Miyagi !

**Would you like to learn Japanese
language for Elderly Care with us ?**

Organizer: Miyagi pref. Manager: Tohoku Fukushi University.

We will teach you the language useful for working in Elderly Care area. We support foreigners already working in Elderly Care or interested in working!

What is the contents of the course?

You will study Japanese language useful for working in Elderly Care (conversation, writing and reading) and the language being used in the national Elderly Care Worker qualification exam. The teacher will use "easy Japanese" to teach classes.

Who can participate in the course?

Any foreigner living in Miyagi prefecture and interested in Elderly Care. You do not have to have actual working experience in Elderly Care to participate.

What is the format of the course and where it will take place?

Classes will start in August. There will be 1-2 classes a month on Tuesday or Friday. One class will last for 4 hours. Because of corona virus situation the course will be offered online, so you can study at home through your PC or smartphone.

How much it will cost?

This course is free of charge, no costs required.

Who will be teaching?

Teachers from Tohoku Fukushi University. Two professionals in Elderly Care and two Japanese language teachers. You will learn Japanese language as well as basics of care work.

If you have any questions, feel free to contact here: (nana-t@tfu-mail.tfu.ac.jp) 😊

Deadline for requests is July 28 !

When sending your email, please, write in the title "Learning Elderly Care". In your email, please, write the following:

① Your name, ② Country of origin, ③ Do you work in Elderly Care currently? ④ Your JLPT core, if you already took this test, ⑤ Your questions.

※if you have trouble with Japanese, you can write in Chinese, Korean, or English 😊

We are looking forward for your emails !

Let's have fun while studying together!★
