

# Prefectural Infection Prevention Measures From June 1

Period	<u>Until June 13th 2021 (prefectural state of emergency declaration, extension of COVID-19 Rebound Prevention Period)</u>	Areas	All areas in Miyagi
--------	---	-------	---------------------

Targets	Area	Main Request Contents
Restaurants	<u>Sendai City, Aoba Ward</u>	Request to shorten business hours for dine-in restaurant / restaurants which provide alcohol (requested business hours: 5 a.m. to <u>9 p.m.</u> , only serve alcohol from 11 a.m. to <u>8 p.m.</u> )
	All areas	Thoroughly implement infection prevention measures (wear mask / install acrylic dividers / refrain from using karaoke equipment) etc.
Residents	All areas	Refrain from non-essential travels (especially to areas under state of emergency), refrain from holding events that involve eating or drinking, refrain from going to restaurants that have not properly implemented infection prevention measures / not following request to shorten business hours, refrain from carrying out activities that might heighten the risk of infection, etc.
Events		Put limitations in place for events (number of participants/capacity), follow guidelines on organizing events, carry out contact tracing, etc.
Other Facilities		Manage visitors to prevent crowding, thoroughly implement infection prevention measures, follow guidelines for each industry, etc.
Businesses		Thoroughly implement infection prevention measures, reduce the number of employees going to work by implementing telework, etc.
Universities etc.		Wear mask when eating with others, implement infection prevention measures that do not interfere with study, etc.

Same as before

# Requests for Prefectural Residents

## COVID-19 Rebound Prevention Period (until 6/13)

- Thoroughly carry out infection prevention measures during outings such as avoiding the “three Cs” / “five activities※”
- Refrain from non-essential travel outside the prefecture, in particular postponing or refraining from travel to and from areas under the state of emergency and quasi-state of Emergency
- When possible, avoid going to crowded locations during busy hours.
- Refrain from going to restaurants and other establishments that have not thoroughly implemented infection prevention measures or are not following the early business closure request (with the exception of delivery/take out)
- Refrain from group dining and events that involve alcohol or last for long periods of time. Wear a mask when conversing. Be careful even when alcohol is not involved.
- Comply with infection prevention measures implemented by restaurants.
- Refrain from carrying out activities that might heighten the risk of infection.

※Activities where the risk of infection is high, ①gatherings with alcohol, etc., ②group dining with large numbers of people over long periods of time, ③conversing without a mask, ④ communal life in small spaces, ⑤excessive movement between locations
